# Add allergy

MediSign comes with more than 60 "common" allergies available in your "Personal archive".

However, you can

- choose an allergy from the approximately 72,000 diseases included in ICD10-CM (which is automatically added to your Personal archive and remains available) or
- enter your own term (which is automatically added to your Personal archive and remains available)

Add allergy

Joe Bailey

Age: 65 years **SSN:** 818-60-9519 **Code:** 32

from your personal archive (67 records)	▲▼

from your personal archive (67 records)
from ICD10-CM (72,616 records)
add your custom term
