

# Add disease

MediSign comes with more than 4,500 “common” diseases available in your “Personal archive”.

However, you can

- choose a disease from the approximately 72,000 included in ICD10-CM (which is automatically added to your Personal archive and remains available) or
- enter your own term (which is automatically added to your Personal archive and remains available)

### Add disease

**Joe Bailey**  
Age: 65 years SSN: 818-60-9519 Code: 32
