

# Invoice: print, payment, cancellation

After [issuing an invoice](#), you are automatically redirected to this page.

You will also be taken to this page after selecting an invoice from the page [My invoices](#).

On this page:

- you can see all the **details** of an invoice
- you can **download** the invoice as a pdf file - then you can **print** it
- you can **cancel** the invoice
- you can **send** the invoice by email
- you can update the invoice **payment** status
