Office departments (examination rooms)

On this page, you can manage the departments of your Clinic (examination rooms), where you make appointments.

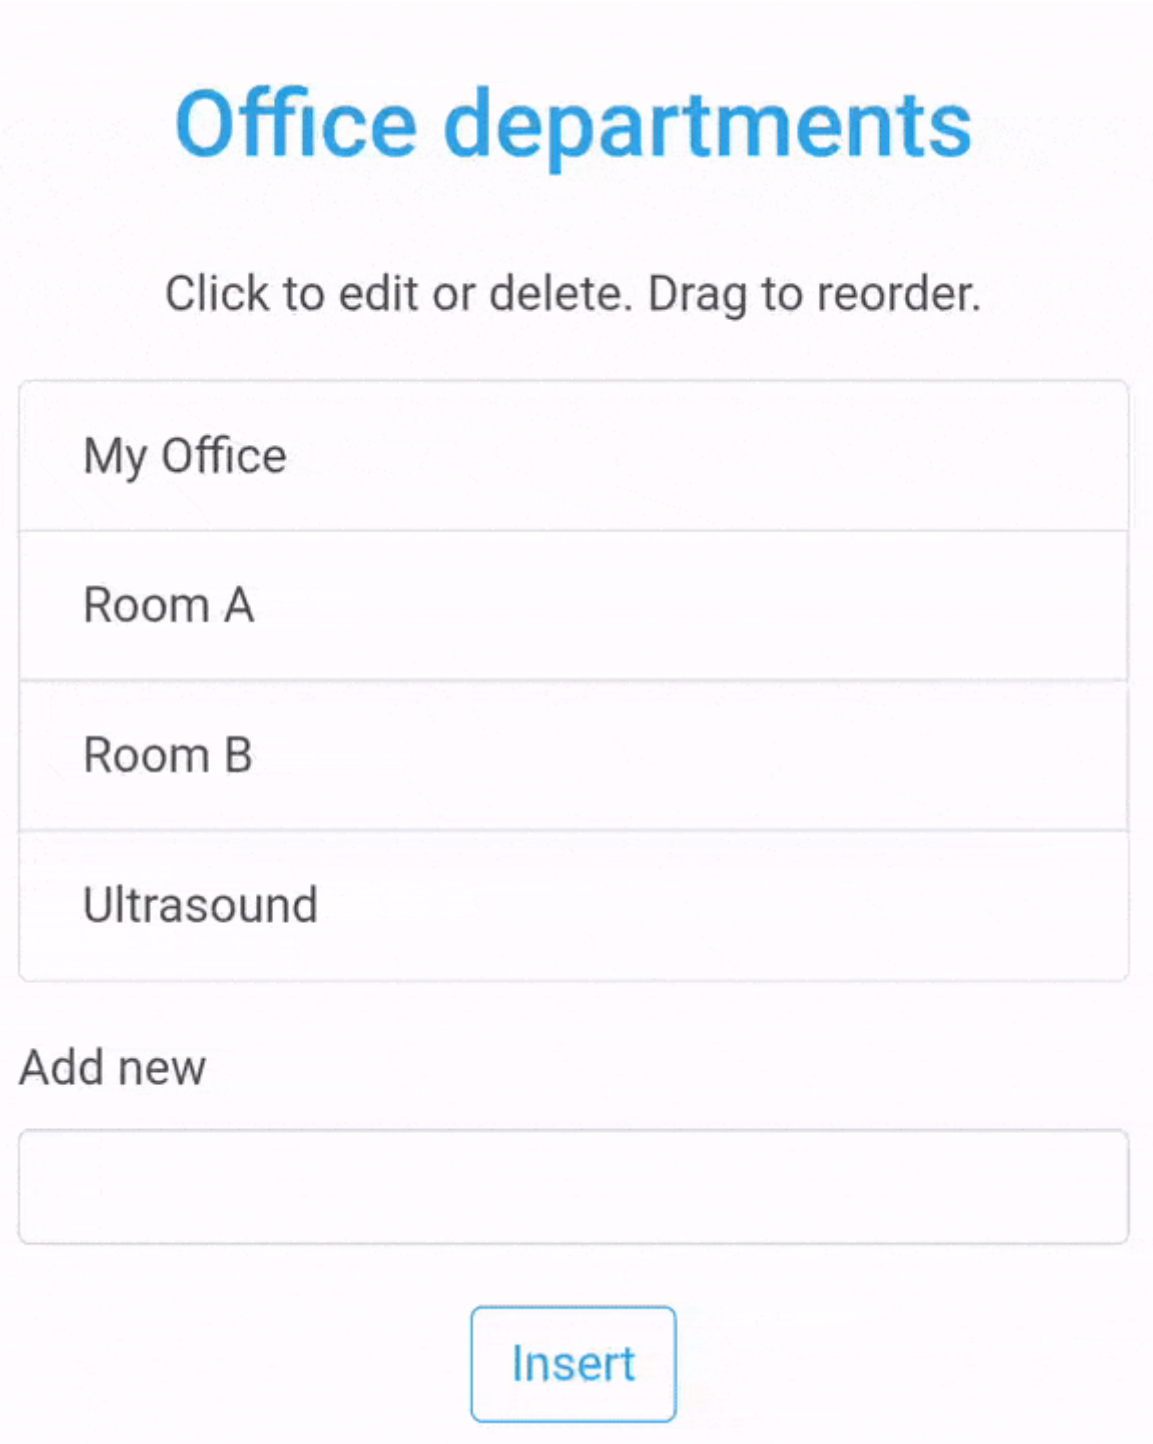

From the menu, select Patients → Practice management → Office departments

You can add, delete or modify a room.

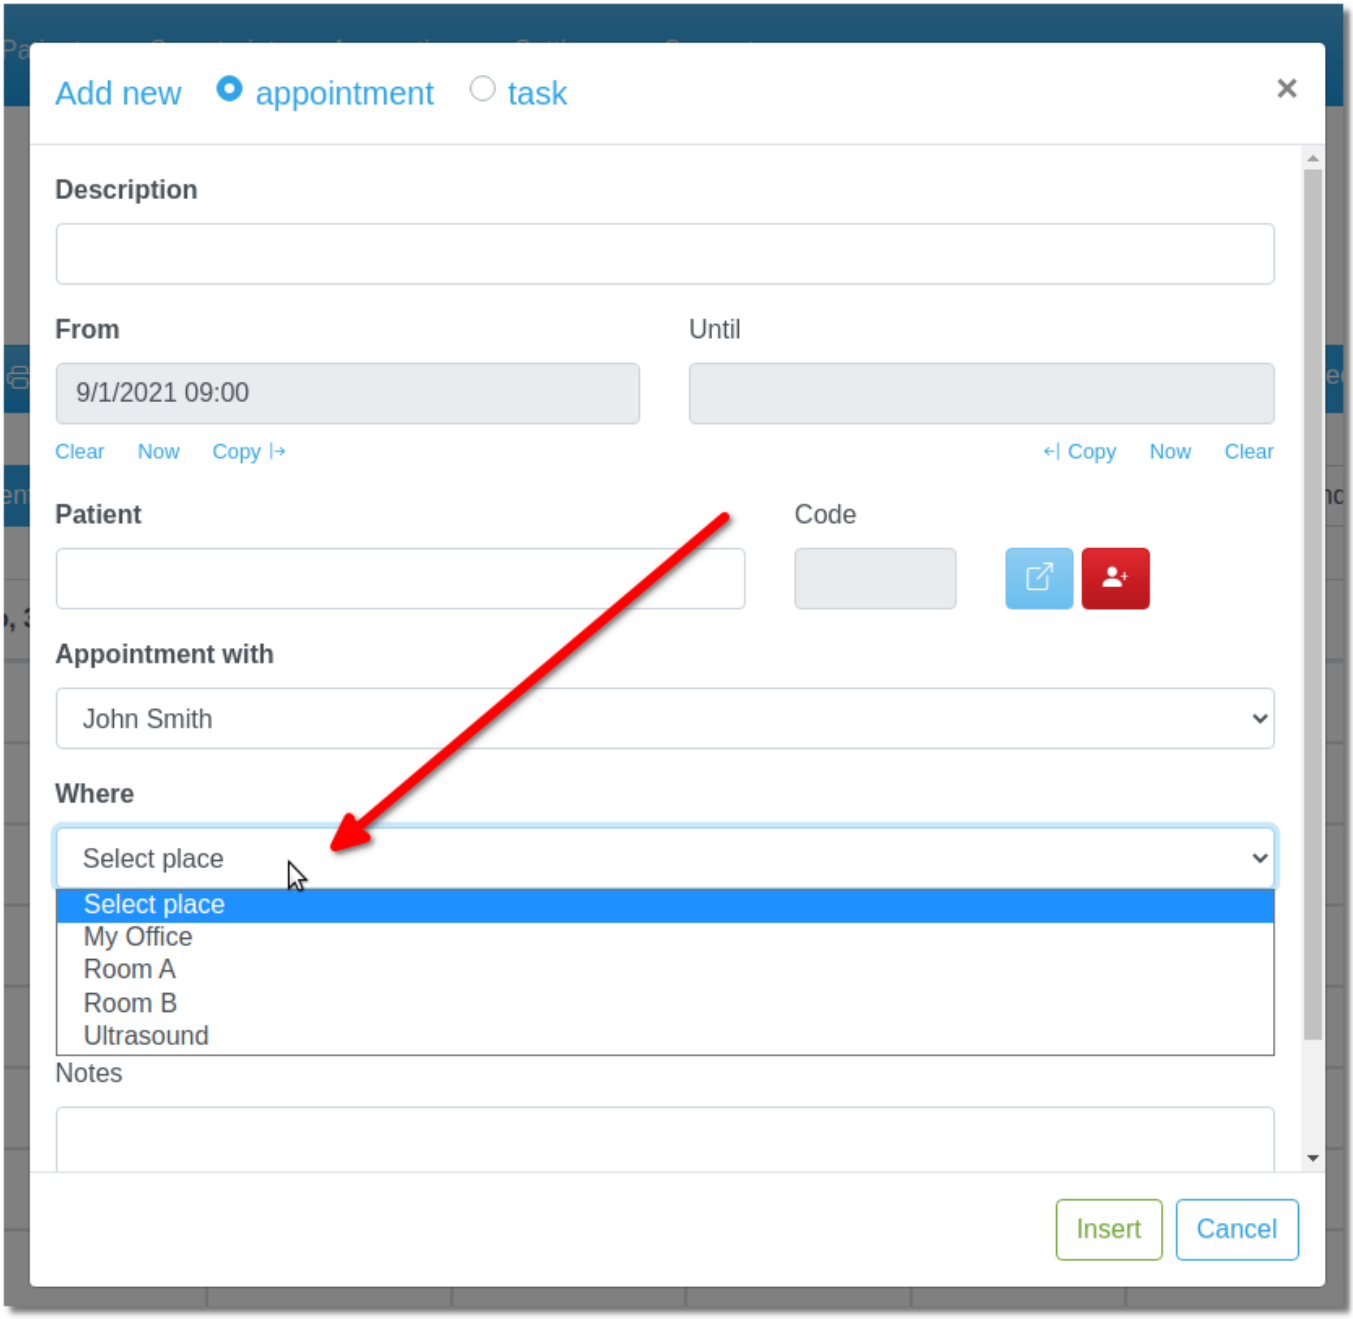

To set the display order

- click and drag with the mouse on desktop devices
- do the same, but with your finger on mobile devices

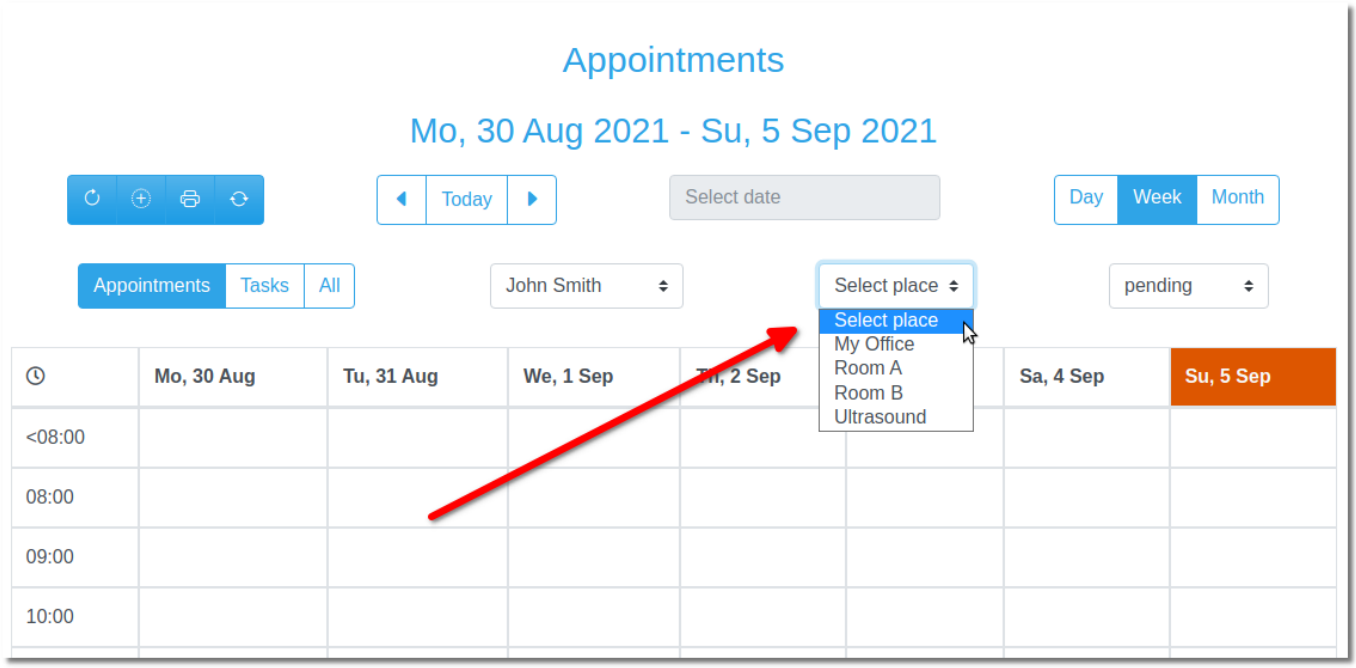

as shown by the following animation:

If you have defined more than one examination room, when you enter an appointment you will be asked to specify the examination room:

This way, you can filter appointments (excluding other criteria) by examination room:
