Pricing

From the menu, select Settings → Pricing.

MediSign follows the "**Pay as you go**" policy.

The basic plan

The basic package costs 9 USD per month and includes:

1. First Month FREE
2. Unlimited number of patients
3. All MediSign functionality
4. All software upgrades
5. An additional user (other than the account owner), possibly your secretary or a co-worker
6. 2 GB cloud storage for files (laboratory tests, images, etc)
7. 24×7 support via email with our specially designed support platform

More services

If you need more users or more cloud storage, you can do it at a cost:

- 1.00 USD / month for each additional user (maximum 10 users)
- 1.00 USD / month for each additional GB

Fewer services

In case you no longer need some users or storage space, you can delete the additional services, so your charge is reduced accordingly.

Taxes

All the above prices are final and are not subject to VAT.
