

Manage issue

After you submit a Support Request, you will receive an email notifying you that we have received your request.

When your request is answered, you will receive a new email with a link to the request page, where you can see our response.

If you believe that your request has been answered, you can click “**Close**”, thus completing the relevant discussion.

If you need more information, you can use the “**Reply**” button to reply. You will receive our new answer and so on.
